

Write your own lullaby!

Come create your own special song for your little one, while your little one makes music of their own!

With the Lullaby Project, parents and caregivers have a chance to collaborate with musicians from the Walla Walla Symphony to craft a unique song for their family. While parents are participating, the kids can join a music group where there will be singing, playing, and dancing!

The project is designed in a way that is inclusive for **ALL**. Our aim is to create a safe and supportive environment for anyone interested in participating.

Participation is free!

No experience or musical background is necessary!

Wondering if this will work for you and your child?
