## News & Upcoming Events

Hello SOAR families and participants! It's March and this month we will be doing some fun and exciting new things!!

We will kick off the month with a St. Patty's Day dinner and a Leprechaun hunt! Join us as we share a meal and search for the Leprechaun's treasure!

Next up is Karaoke night! Let's meet up and sing our hearts out while we have dinner together! Bring money for your dinner, they have burgers, sandwiches, shakes, fries and more. Family friendly establishment. If you don't like to sing, you can still come and hangout, fun for all our participants!

The much requested Pokémon Go Quest is happening!! Participants need to dress warm, as we will be on foot in downtown Walla Walla. First we will be walking around town "catching" Pokémon as teams and then we will finish up at Pinecone Creamery, so bring some money to enjoy ice cream afterwards.

We will finish March off with some Ninja Warrior Training. Participants will have fun "training" on different equipment and an obstacle course. They will be given a "Ninja" headband and a treat bag.

See you soon! - Tash
